

	VOULNTEER – Being a friend to everyone
Rec	<p>It is good to help other people and this helps our well-being</p> <p>I like to help others because it makes me feel good. If I help others they feel happy. If I help others then they will help me. I love helping.</p>
Y1	<p>Being kind and helpful to people close to us helps our well-being</p> <p>If I treat people well they will treat me well. My friends and family are very important to me so I should help them. If I am helpful it makes them feel loved and special. It makes me feel good to make others happy.</p>
Y2	<p>Being a positive member of our class helps our well-being</p> <p>If I show positive behaviour in class it helps make class a nice place to be. I can volunteer to be helpful in class, this helps my teacher. By helping people in my class it makes them feel good. I love helping my class be a better place for everyone.</p>
Y3	<p>Being a positive member of my school helps our well-being</p> <p>I want to help make my school a better place by helping around the school. If I set a good example to the younger children they can try and copy my behaviour. If we all have a positive attitude we make our school a wonderful place for us all to grow and learn and have a fantastic time.</p>
Y4	<p>Being a positive member of our parish helps our well-being</p> <p>When I volunteer to be a part of St Teresa's parish and Norris Green and help to make it a stronger community. I show this by being well behaved and respecting all the places in our area. For some children in Y4 we show our commitment to our parish by making our first Holy communion. When we feel we are part of our local community it improves our self-esteem.</p>
Y5	<p>Being a positive member of our city and country helps our well-being</p> <p>We understand that we should be proud to be part of our fantastic city and country We have opportunity to help make these paces better by VOLUNTEERING to good causes. We can support charity events through dress up days, donating money or giving our time to contribute. We donate to foodbanks to help those less fortunate than ourselves in our city. Giving up my time and energy to support others helps my well-being</p>
Y6	<p>Understanding that being part of the wider world community helps self-growth and well-being</p> <p>We understand we are part of a much bigger community than we can really imagine that includes may places we may never visit and people we will never know. We have a responsibility to play our part in protecting our astonishing and beautiful planet. It is important to understand the human race is one big family and we should support and volunteer to help those in need all over the world.</p>

	<p>We can do this by celebrating difference and having a being conscious and empathetic of world events.</p> <p>The world is out there for us to discover, explore and enjoy knowing this helps or aspirations and well-being</p>
Rights and Responsibilities	<p>To be part of our school and community</p> <p>To respect by school and community</p>
